

Orange County Events: Week of Oct 5-11, 2026

Confirm before you go. Event sites were blocked, so these come from search-result listings. Prices not shown in the listing are marked "Not listed". Links go to the best page I found for each event, which is sometimes a listing page rather than the event itself. The Tech Coast Angels date may be from a past year.

What I found and what is still unconfirmed

Specific pages found: OCREIA (Meetup page; Avenue of the Arts Hotel, Costa Mesa; ocreia.com or 866-200-1435). Tech Link Up (Meetup group; Hangar 24, 17877 Von Karman Ave, Irvine; usually 6:00 PM). Tech Coast Angels mixer (4590 MacArthur Blvd, 3rd floor, Newport Beach; the page may be from a past year). OC PRO Networkers (ocpronet.com, (949) 278-3048; older listing: Laguna Hills, Thursdays 7 AM, \$15). Free real estate investor meetup = Property Deal Network, Wild Goose Tavern, Costa Mesa, 7-10 PM, free, no presentations, ages 25+; the Oct 8 date is not confirmed.

Listing pages only: Business Accelerator, BNI Go Givers, Cybersecurity for Everyone and AI Leadership link to general Irvine Eventbrite or Irvine business-events lists. Search those lists for the event.

Problems: No event page was found for HUSTLE Orange County (search results were UK cities) or the BT Legacy Private Tax Strategy Intensive; both are UNVERIFIED. For Tech & Finance Networking, the only page found was a Sept 2 event at Mesa in Costa Mesa, 7-9 PM; an Oct 7 event was not confirmed.

Before you go: verify each date, time and price on the organizer's page.
